Dear Parents/Guardians

On May 1, 2023, Lawnside Public School District will administer the New Jersey State Learning Assessments in English Language Arts, Mathematics, and Science. Local educational agencies (LEAs) are required to administer these assessments as part of the overall Statewide assessment system.

The Spring 2023 testing window for ELA, Mathematics and Science is May 1st- May 26, 2023. The assessments for ELA and Mathematics will be administered to students in grades 3-8; and the assessment in Science will be administered to students in grades 5 and 8.

The district's fall testing schedule is as follows:

Grades 3-5(ELA and Math): May 1, 2023- May 5, 2023

Grades 6-8:(ELA and Math): May 8, 2023 - May 12, 2023

Grades 5 and 8(Science): May 15, 2023 - May 19, 2023

Make-up Exams: May 22, 2023-May 26, 2023

Upon completion of the assessments, parents will receive an Individualized Student Report for each content area in which their child is tested. This report will provide parents with a sense of their child's understanding in the tested content areas, a description of the major concepts that were tested, and a starting point for discussions with their child's teacher(s).

Lawnside Public School District ensures a testing environment that follows all protocols and procedures and is not disruptive to the students taking the assessments. We are committed to student achievement, and these assessments raise the bar for our students to ensure they are on the path to success. If you have any questions, please contact Mrs. Alyssa Miller, Director of Curriculum and Instruction.

Thank you for your continued support and dedication to your child's education.

Sincerely,

Alyssa Miller

Director of Curriculum and Instruction
District Test Coordinator
