**LAWNSIDE SCHOOL DISTRICT
BOARD OF EDUCATION
426 Charleston Avenue
Lawnside, New Jersey 08045**

Dear Resident,

*It has come to my attention of the Lawnside Board of Education that residents are allowing children who do not live within the Borough to use their address to attend Lawnside Public School and Haddon Heights High School, or to collect reimbursement for private school transportation. The use of your address for this purpose is illegal, and could subject a person to be prosecuted as a disorderly person. Secondly, a resident who improperly allows an address to be used can be forced to reimburse the School board the cost of the non-resident child's education. For a child attending Lawnside School this could be up to **\$9,744.00** and for Haddon Heights up to **\$14,620.00**.*

This policy of the taxpayers only paying for the education of bona fide Lawnside children will be strictly enforced. If you have any questions about this policy or know of a student who you think is improperly attending the elementary school or attending Haddon Heights, please call the Superintendent at 856-546-4850.

Sincerely,

*Ronn H. Johnson, Ed. D.
Superintendent*

Household Information Survey

This survey is used to determine eligibility for state benefits for which your child(ren)'s school may qualify.

Please complete, sign, and return this form to your child's school.

Part A: Who should I include in "Household"?

You must include yourself and all people living in your household, related or not (for example, children, grandparents, other relatives, or friends) who share income and expenses. If you live with other people who are economically independent (they do not share income with you/your children and they pay a share of the expenses), do not include them.

Part B: What are benefits received?

- **TANF:** NJ's Temporary Assistance for Needy Families (WorkFirst NJ)
- **SNAP:** Supplemental Nutrition Assistance Program (formerly food stamps)
- **FDPIR:** Food Distribution Program on Indian Reservations

Part C: What is included in "Annual Household Income"?

Annual Household Income includes the following:

- **Gross earnings from work:** Use your gross income, not your take-home pay. Gross income is the amount earned before taxes and other deductions. This information can be found on your pay stub or, if you are unsure, your supervisor can provide this information. Net income should only be reported for self-owned business, farm, or rental income.
- **Welfare, Child Support, Alimony:** Include the total amount everyone in your household receives from these sources. Do *not* include SNAP or FDPIR payments.
- **Pensions, Retirement, Social Security, Supplemental Security Income (SSI), Veteran's benefits (VA benefits), and disability benefits:** Include the amount everyone in your household receives from these sources.
- **All Other Income:** Include for everyone in the household: worker's compensation, unemployment or strike benefits, rental income, interest and dividends, regular contributions received from others who do not live in your household, and any other income received. Do *not* include income from WIC, federal education benefits and foster payments received by your household.
- **Military Housing Allowances and Combat Pay:** Include off-base housing allowances, and food or clothing allowances. Do *not* include Military Privatized Housing Initiative or combat pay.
- **Overtime Pay:** Include overtime pay **ONLY** if it is received on a regular basis.

How do I calculate total household income received from multiple sources and/or on a weekly, every two weeks, twice a month, or monthly basis?

- 1) Annualize pay for each source of income based on the above definitions for every household member.
 - a. Use the table below to convert your pay to an Annual Income amount.

Frequency of payment	Annual Income Conversion Amount
Weekly	= 52 × weekly gross (not take-home) income
Bi-Weekly (every two weeks)	= 26 × bi-weekly gross (not take-home) income
Twice per Month	= 24 × gross (not take-home) amount received twice per month
Monthly	= 12 × monthly gross (not take-home) income

- 2) Add together the annualized pay from every person in the household for the total annual household income for Part C.

- 3) If your household has 8 or fewer people, check the box that shows the range for your total income. If your household has more than 8 people, do not check a box; instead, write household size and total annual household income in the space provided.

If your income fluctuates, include the wages/salary that you regularly receive. For example, if you normally make \$1,000 each month, but you missed some work last month and made \$900, use \$1,000/month as the basis for your annual income. If you have lost your job or had your hours or wages reduced, enter zero or your current reduced income.
