Good Morning Dawn,

I am in receipt of your request for permission to transfer funds letter dated May 18, 2018.

In review of the submission, in accordance with N.J.S.A. 18A:22-8.1 Commissioner approval is required for line-item transfers from any general fund appropriation account that on a cumulative basis exceeds 10 percent of the amount included in the budget certified for taxes. The amount included on your request for the transportation line item is in fact 23.97%, however that is being transferred into the account not from the account. There is no restriction to transfers into a line item unless it is an administrative line item which would include function codes 230, 240, and 25X. When completing the monthly transfer report from the School Finance website, the amounts needing approval will be shown in red.

I will file your approval request, no action is necessary from the County Office.
